

FISH COLLAGE

How to make a fish collage!

You need:

- Paint
- Paper plate
- Scissors
- Collage material
- Glue

Things to remember:

Always watch children who are using scissors.

1. Start with a paper plate.

2. Cut out a triangle.

3. Glue or staple the triangle to the other side of the plate. This is the tail.

4. Draw an eye.

5. Decorate the fish.
