

# MASKS

## You need:

- Paper plates
- Scissors
- Paint
- String

## For decorations:

- Feathers
- Glitter
- Collage material

## How to make masks!

1. Use a paper plate to cut out eyes and a mouth.

2. Paint the mask

3. Decorate the mask

4. Attach some string to tie around the back.

## Things to remember:

Always watch children who are using scissors. Cutting the holes can be tricky.
