

MOBILE

How to make a hanging mobile!

You need:

- Paper plate
- Scissors
- Paint
- Hole punch
- Wool or string

Things to hang - feathers, sticks, leaves, paper shapes, streamers, magazine cut outs, anything that you have.

Things to remember:

Always watch children who are using scissors.

1. Start with a paper plate

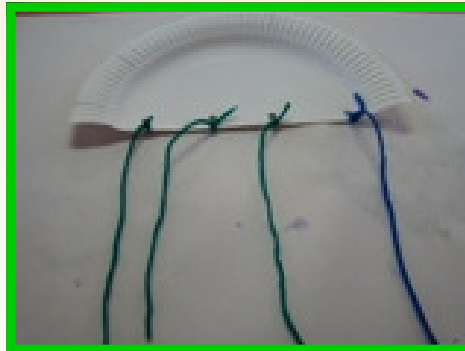

2. Cut it in half

3. Punch 4 holes in it

4. Tie the wool or string from the holes

5. Tie your items to the wool or string
