

# SUN COLLAGE

## How to make a sun collage!

### You need:

- Paper plates
- Scissors
- Coloured paper
- Paint
- Glue or stapler

### 1. Start with a paper plate

### 2. Cut out strips of coloured paper

### 3. Glue or staple on the strips of coloured paper to the plate. Paint and decorate the plate.

### Things to remember:

Always watch children who are using scissors. Cutting the paper can be tricky.
